Just before Christmas 2017, Nathan Curtis, a twenty-three-year-old member of our church family, died as a result of injuries suffered in a car accident. The Curtis family has agreed to allow us to post the recording of Nathan's memorial service. We want to share this powerful event with you as God used Nathan's memorial to not only bring comfort and encouragement to the Curtis family, but also motivate us all to live our lives for the glory of Christ.
